Voting of Demands for Grants.

3. XIV—Accounts and Finance—Rs. 39,656 (conta.)

Motion No. 2 (*contd.*)

President.—When we rose yesterday, Demand No. XIV was under consideration, and Mr. Salem moved his motion No. 2. Have you finished your speech ?

Mr. A. B. Salem.—I asked for a list of the defalcations. I would like the Hon'ble Member to give me a list.

Mr. K. Krishna Pisharodi.—There is no list of defalcations.

Mr. A. B. Salem.—How many cases ?

Mr. K. Krishna Pisharodi.—Various irregularities I have noted.

Mr. A. B. Salem.—In the list handed over to me there is only one case worth noting, and that is, Industrial Museum, special report on the huge arrears on account of credit sales pending.

Mr. K. Krishna Pisharodi.—It is only the result of the audit conducted in the office which is subject to local audit.

Mr. A. B. Salem.—There are no cases of defalcation?

Mr. K. Krishna Pisharodi.—There was one, and that was not in an office subject to local audit. A special audit was ordered by the Government when the Government suspected that there was something wrong. A special audit was conducted and the report has just been submitted, and it is under consideration.

Mr. A. B. Salem.—In one of the previous Councils I raised a point whether any of the officers in the Stamp and Stationery Office during whose period such defalcations took place in the office whether any one of them has been asked to refund the amounts.

Mr. K. Krishna Pisharodi.—They have been asked to explain. The report has been sent to them. The amounts defalcated during their periods and the items have all been sent to them, and an explanation has been called for. The explanations have not been received in full ; some of the officers have not sent.

President.—They have been asked to show cause why they should not be asked to refund.
